3 Name of the Register	Stakeholder Register
4 Purpose of Processing Personal Data	The register is used for managing stakeholder relationships, multichannel stakeholder communication, and marketing by Valaisin Grönlund Oy. The processing of personal data is based on legitimate interest, contract, or other relevant connection. The register's information is utilized for Valaisin Grönlund's own direct marketing, marketing in electronic channels, and newsletter distribution unless the individual in the register has prohibited direct marketing.
5 Content of the Register	<p>The stakeholder register contains information about potential business partners and those engaged in collaboration, such as various service providers, transport and logistics partners, suppliers, subcontractors, experts, and representatives of support and service organizations serving businesses (e.g., banks, financial institutions, insurance companies, Business Finland, and business service centers). The register contains the following information about the decision-makers and contact persons of stakeholder organizations:</p> <ul style="list-style-type: none">• Name, company, role in the organization, postal address, email address, phone number• Profiling data briefly describing the services, materials, or products the stakeholder represents• Data related to the data subject's service events, communication details, and information necessary for direct marketing and stakeholder communication implementation
6 Regular Sources of Information	Information recorded in the stakeholder register is collected directly from partners during the use of services, online or other electronic services, or other transactions, as well as during the establishment and maintenance of a partnership. Information may also be collected and updated from publicly available registers.

12 Other Rights Related to the Processing of Personal Data	The data subject has the right to prohibit the data controller from processing their personal data for direct advertising, remote sales, other direct marketing, market research, or opinion polling. Such a prohibition can be addressed at any time to the contact person responsible for register matters mentioned in Section 2.
