3 Name of the Register	Camera Surveillance Register for Outlet Store and Showroom
4 Purpose of Processing Personal Data	The data is processed to ensure order and safety, as well as to investigate criminal, damage, or accident incidents within Valaisin Grönlund's premises, properties, and outdoor areas.
5 Content of the Register	Time- and location-bound video recordings captured by the camera system from premises, properties, and outdoor areas.
6 Regular Sources of Information	The camera surveillance system consists of recording surveillance cameras installed in premises, properties, and outdoor areas.

	<u> </u>
7 Regular Disclosures of Information	Valaisin Grönlund does not routinely disclose data from the registers to external parties.
8 Transfer of Data Outside the EU or EEA	Data is not transferred outside the EU member states or the European Economic Area.
9 Principles for Protecting the Register	A Manual Material The register does not contain manual records. B Data Processed by IT Systems Only employees authorized to process video recording data as part of their duties have access to the camera recordings. The system is protected with technical security measures. Only designated users with personal usernames and passwords can access the system. Users are bound by confidentiality obligations. Additionally, the data controller ensures contractually that any partner processing personal data on its behalf is committed to protecting the personal data, including the actions of their own personnel. The data from camera recordings is retained as long as necessary for the intended purpose.
10 Right of Access	The data subject has the right to inspect the information stored in the register that pertains to them. Inspection requests must be made in writing and addressed to the contact person responsible for register matters, as mentioned in Section 2.
11 Right to Request Correction of Data	The data controller will delete outdated data in the register on its own initiative or at the request of the data subject within a reasonable time unless the data needs to be retained for security reasons or by legal request from authorities. Requests should be addressed to the contact person responsible for register matters mentioned in Section 2.
